01	L N MALVIYA INFRA PROJECTS PVT LTD.	<p>After going with the details of technical evaluation we observed that lesser marks have been awarded to our firm under category "Approach & Methodology".</p> <p>It is submitted that we have furnished a comprehensive Approach & Methodology based on the requirement of the RFP. The proposed methodology covers all the parameters and duties to be performed by the PMU as defined in the Terms of Reference and as such deserve for more marks than the marks awarded to our firm towards the category.</p> <p>We therefore very humbly request to kindly review the marks awarded to us under "Approach & Methodology" and suitably enhance the marks awarded to our firm under the category.</p> <p>We are hopeful that our request will be considered for favorable action in the matter and declare our firm Responsive.</p>	<p>The Tender Committee there upon scrutinized the bids received based on the eligibility criteria as specified in the tender document and the evaluation details as finalized by the Committee and awarded</p> <p>For Understanding of the assignment-3.5 Marks out of 10 Marks. For Project approach & methodology-8.5 Marks out of 15 Marks and for Work Plan- 3.5 Marks out of 5 Marks in "Approach & Methodology" category.</p>	<p>Marks awarded to the bidder by the committee is in line with the supporting documents submitted as a part of technical bid.</p> <p>(a) The bidder is awarded 3.5 Marks out of 10 Marks for Understanding of the assignment because the committee observed that bidders understanding regarding the requirement of PMU was not very clear and is more of about Authority Engineer than PMU.</p> <p>(b) The bidder is awarded 8.5 Marks out of 15 Marks for Project approach & methodology because approach is satisfactory but methodology do not correspond to the scope items. Focus is to aligned more towards Authority Engineer.</p> <p>(c) The bidder is awarded 3.5 Marks out of 5 Marks for Work Plan which is sufficient marks awarded.</p>	<p>Marks awarded to the bidder for approach & methodology section as per submitted document in proposal is sufficient hence no change in decision of previous tender committee meeting.</p>
